

“Tswi! Tswi! Tswi!”

“Kwa! Kwa! Kwa!”

“Kwak! Kwak! Kwak!”

Letata le Leeba ba kopane letangwaneng le pela noka. E ne
e le metswalle ya hlooho ya kgomo.

Tsatsing leo ho ne ho tjhesa haholo.

Letata a qwelela ka metsing.

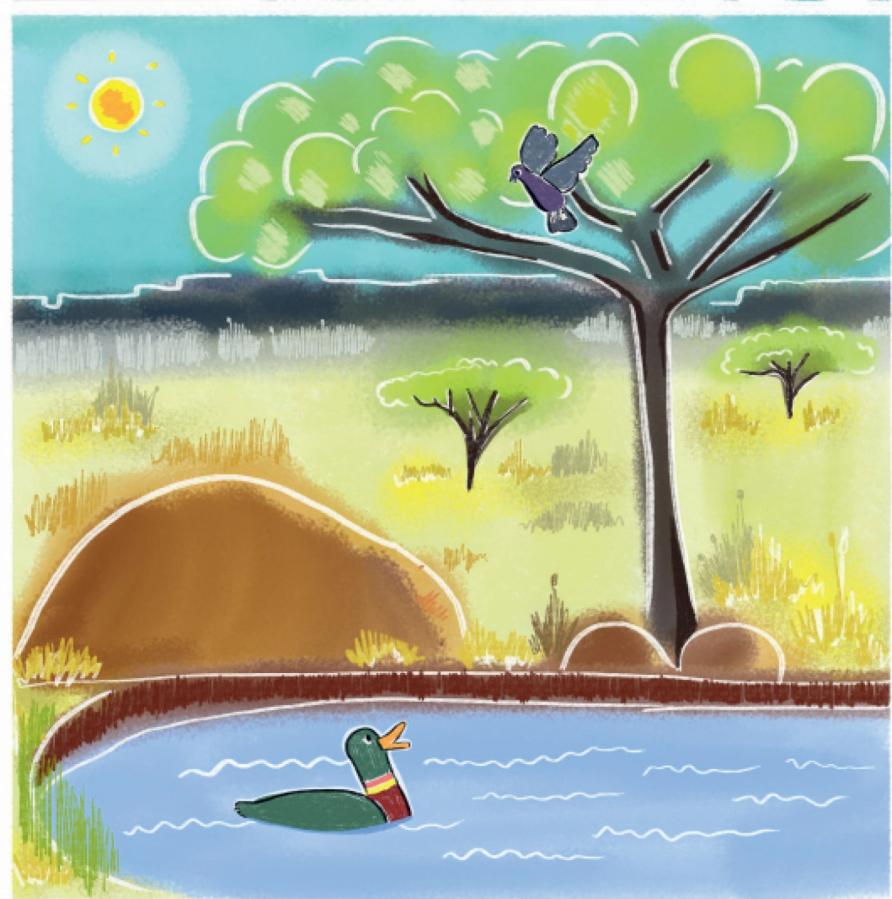

Ha a qeta ho diketsa hlooho ka metsing, Letata la re, "Na o ka thabela ho sesa? Palama mokokotlong wa ka mme ke tla ho ruta ho sesa."

Ka makgetlo ha Letata a leka ho qwela tlasa metsi a pepile
Leeba, Leeba o ne a fofela hodimo.

Leeba a nahana hore a ke ke a kcona ho sesa jwaloka
Letata.

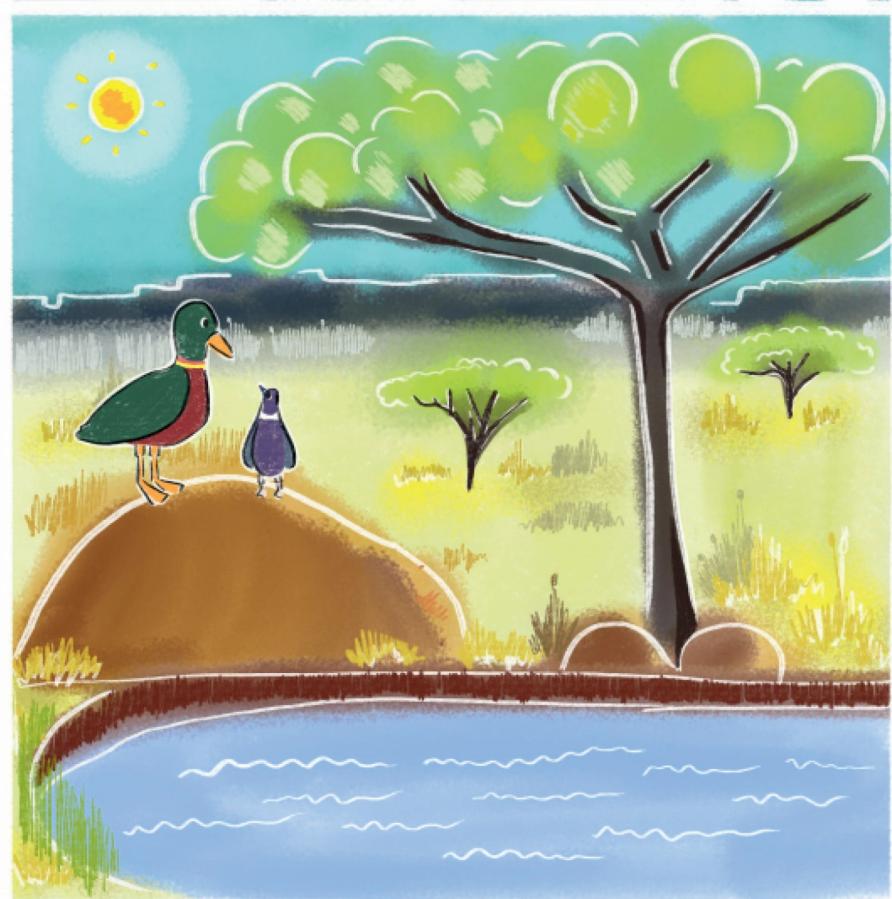

Letata a sala a le mong ka metsing.

"Bothata ke eng Leeba? O ya mphoqa. O ntshielang ka metsing ke le mong?" ke Letata a ttleba.

"Ke tshaba ho kgangwa," Leeba a araba.

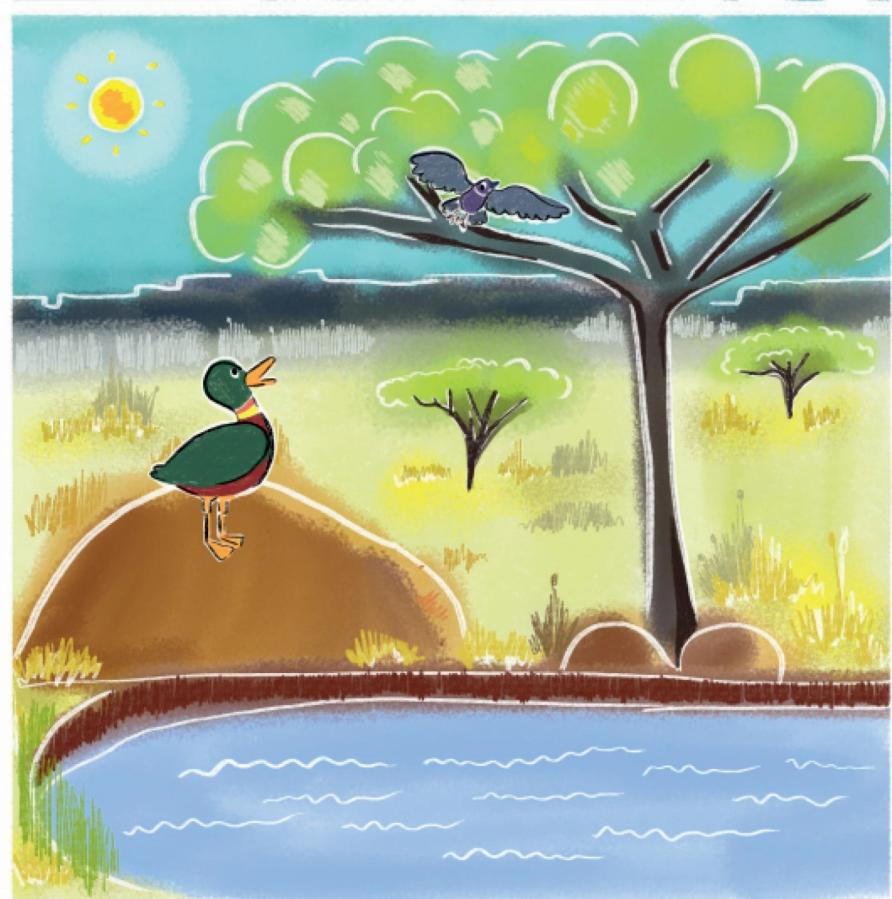

"Ke ne ke nahana hore o batla ho tseba ho sesa jwaloka nna," ho rialo Letata.

"Tswi! Tswi! Tswi! Letata e re nna ke o rute ho fofa. Ho sesa ho thata haholo."

Leeba a ya lefikeng le leholo. Letata a mo latela.

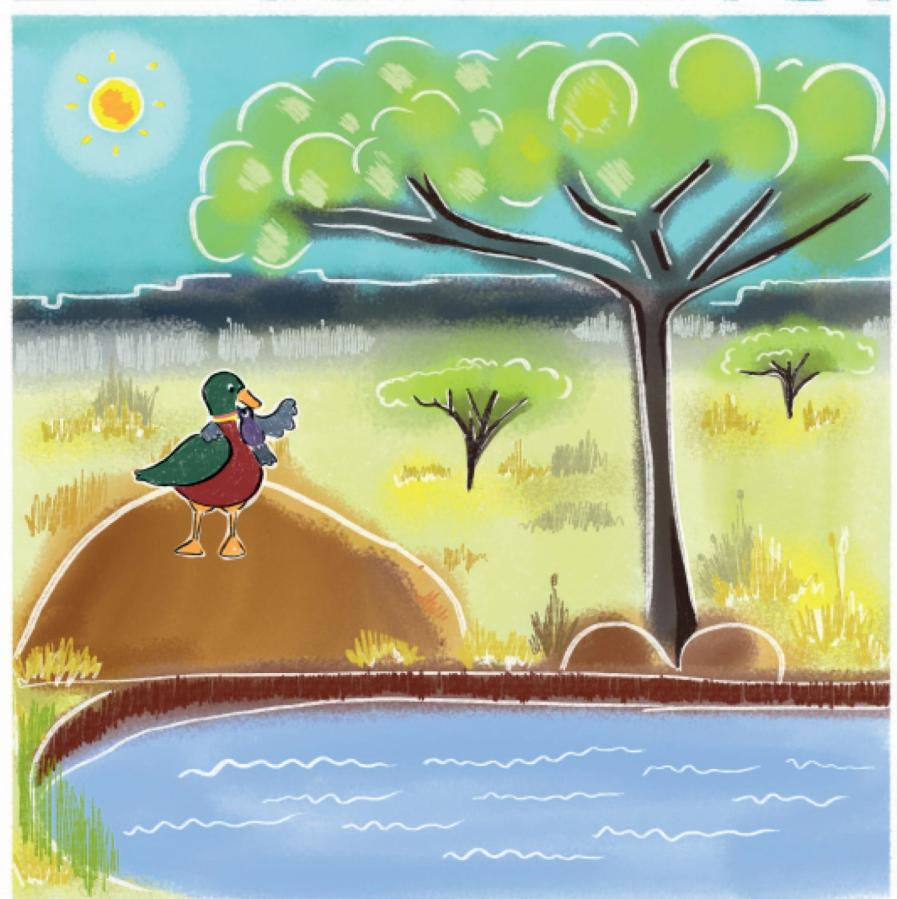

Ka pejana Leeba a be a se a palame sefate se se lelele.
Letata o ne a sa kgone ho mo latela.

Letata o ne a hloname. A kgenne a nahana, "Leeba ha a nnahanele.

Ke letata, ha ke leeba. Ke tlwaetse ho sesa, e seng ho fofa."

Leeba o ne a batla ho kgothatsa motswalle wa hae.

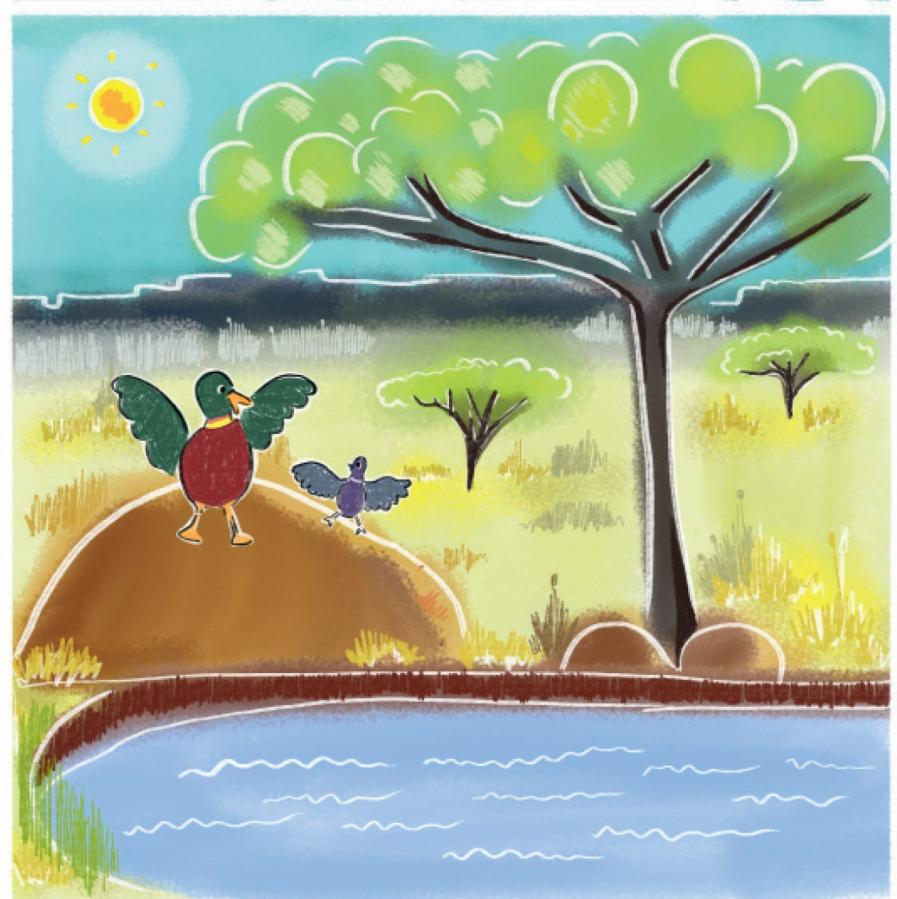

Ba dula lefikeng ba kgutsitse.

Qetellong, Leeba a re, "Motswalle, kajeno ke ithutile hore
nke ke ka kgon a ho sesa jwaloka wena.

Mme wena o ke ke wa fofa jwaloka nna."

Ba hakana.

"Rona matata, ha re sesa re ina dihlooho metsing re re,
'Kwaa kwaa kwaa gxadada!

Kwaa kwaa kwaa gxadada!"

Rona dinonyana, ha re fofa re phaphalatsa mapheo a rona
re re, "Tsiyo, tsiyo, tsiyo."
