Carolyn and Martin Lüönd would like to dedicate this book to our mothers, Natalie Fortin and Senta Lüönd, whose love of reading was passed on to us. It is our wish that children all over the world enjoy a lifetime of reading as we and our moms have and that as a result each fulfills his or her life dreams.

Room to Read seeks to transform the lives of millions of children in developing countries by focusing on literacy and gender equality in education. Working in collaboration with local communities, partner organizations and governments, we develop literacy skills and a habit of reading among primary school children and support girls to complete secondary school with the relevant life skills to succeed in school and beyond.
