

One day, Khan falls asleep while fishing on the river bank. When he wakes up, something huge is pulling on his fishing line. It is so strong that it pulls him to the bottom of the river! Khan discovers that he did not catch a fish, but a water serpent.

In this underwater adventure, Khan meets strange creatures, makes new friends, and even saves the day.

An Adventure with a Water Snake

Room to Read seeks to transform the lives of millions of children in developing countries by focusing on literacy and gender equality in education. Working in collaboration with local communities, partner organizations and governments, we develop literacy skills and a habit of reading among primary school children, and support girls to complete secondary school with the relevant life skills to succeed in school and beyond.
