Room to Read seeks to transform the lives of millions of children in developing countries by focusing on literacy and gender equality in education. Working in collaboration with local communities, partner organizations and governments, we develop literacy skills and a habit of reading among primary school children and support girls to complete secondary school with the relevant life skills to succeed in school and beyond.

Elizabeth B. Shusha has been writing short stories and poems for over five years. She studied creative writing at the University of Dar es Salaam.

Iddi Marumba is a freelance artist. He has illustrated for different organizations such as the Tanzania Institute of Education, the Youth Foundation and the Children's Book Project. Iddi attended Room to Read Tanzania's 2015 Illustrators' Workshop.
