This book was published through the cooperation of the local community, Room to Read Australia and Navitas. It is dedicated to the children and teachers of Sri Lanka, for whom we hope for a bright future through the power of education.

Room to Read seeks to transform the lives of millions of children in developing countries by focusing on literacy and gender equality in education. Working in collaboration with local communities, partner organizations and governments, we develop literacy skills and a habit of reading among primary school children and support girls to complete secondary school with the relevant life skills to succeed in school and beyond.
