Room to Read seeks to transform the lives of millions of children in developing countries by focusing on literacy and gender equality in education. Working in collaboration with local communities, partner organizations and governments, we develop literacy skills and a habit of reading among primary school children, and support girls to complete secondary school with the relevant life skills to succeed in school and beyond.

When summer comes, Unnie spends all of his time playing with his toys. Toys in the morning, toys in the afternoon, and toys in the evening. After a while, he gets bored with his toys and wants something new to do. He notices that his neighbor, Innie, is never bored and is always enjoying a new adventure. Where do you think Innie is finding these adventures?
