

I Love My Mom

My mom's name is Lee. She works hard all the time. And I learn so much from her!

When my mom cooks, I learn to cook too.

When she waters the flowers,
I learn to water the flowers too.

When she washes our
clothes, I learn to wash
our clothes too.

When she dries our
clothes, I learn to
dry our clothes too.

My mom also bought me a bicycle and she taught me how to ride it.

As I ride my bicycle, my mom smiles
when I go, "WHEEEEEEEEE!"

At night, my mom
makes the bed. I
learn how to make
the bed too.

Before bedtime, my mom tells me stories.

When I'm sleepy, my mom
sings me a lullaby.

I love my mom so much!
