

Bolwetši bja dikolobe

Ntombikayise Malaza

Ngwaga wo, naga ya dikolobe e aparetšwe ke bolwetši bja go fofa moyeng. Bolwetši bjo bo kotsi ebile bo a fetela. Kgoši ya dikolobe e rile ka moka ba thibe dinko tša bona, gomme ba dule gae.

Mma Kolobe o hlapiša dikolobjana gabedi ka letšatši. O be a nyaka gore di dule di hlwekile ebile di phedile gabotse.

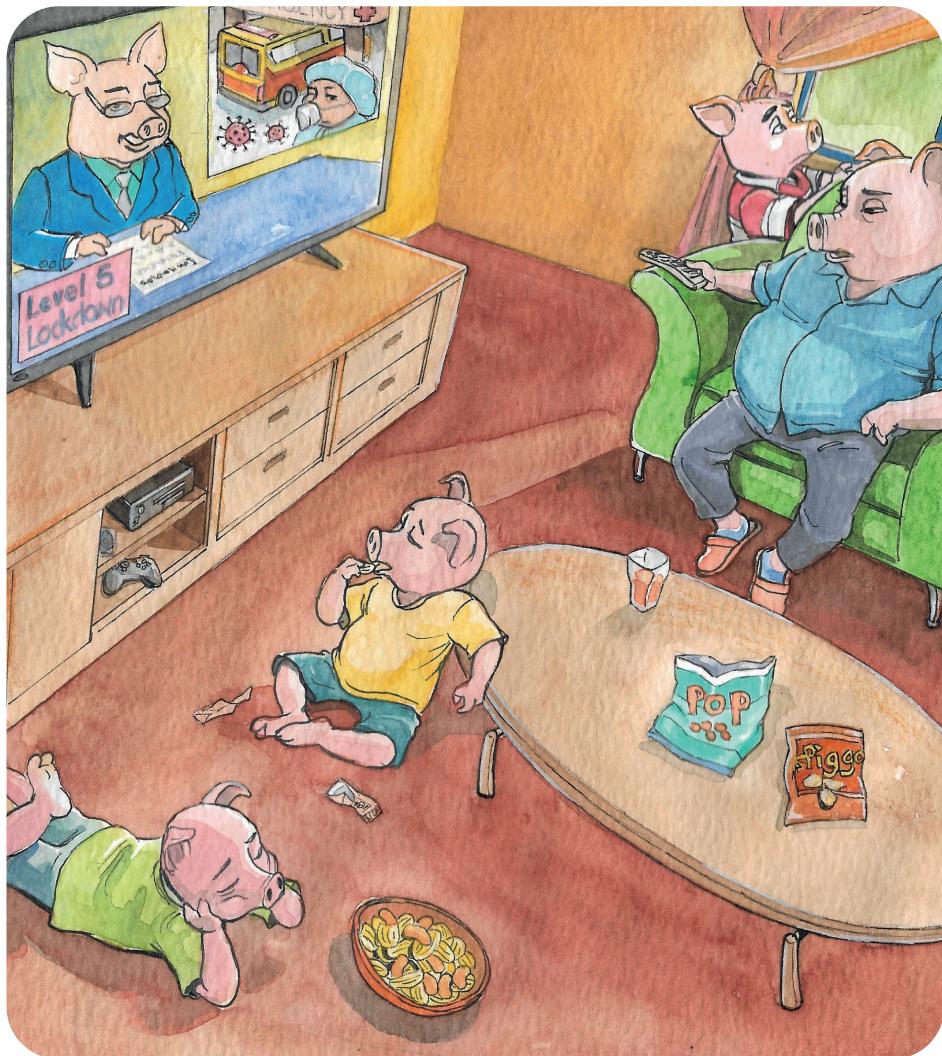

O ile a di rweša masokisi mo dinkong go di šireletša bolwetšing bjo.

Tate le Mma Kolobe ba ile ba gašagaša
dihlare ka ngwakong go thibela tshwaetšo.

Tate Kolobe o ile a lekola thempheretšha tša
tšona ka moka.

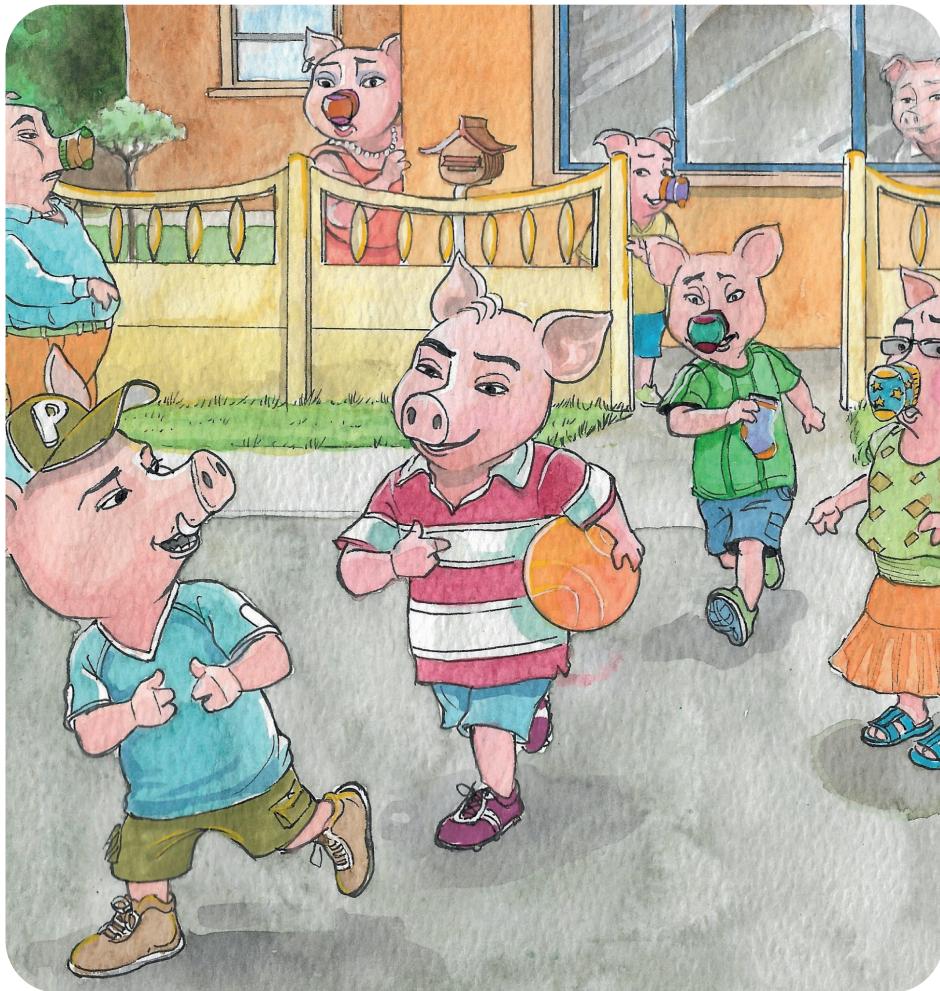

Dikolobjana di jewa ke budutu. Di gopotše bagwera ba tšona. Go budutu go dula ka ngwakong matšatši ka moka. Efela go ba loketše go efoga tshwaetšo.

Kolobjana ye nngwe, leina la yona ke Tshwarelo, e be e seleka kudu. E ile ya tloša lesokisi nkong ya yona, gomme ya raloka ka ntle. “Ngwana yo ga a kwe.” Gwa realo mma Kolobe.

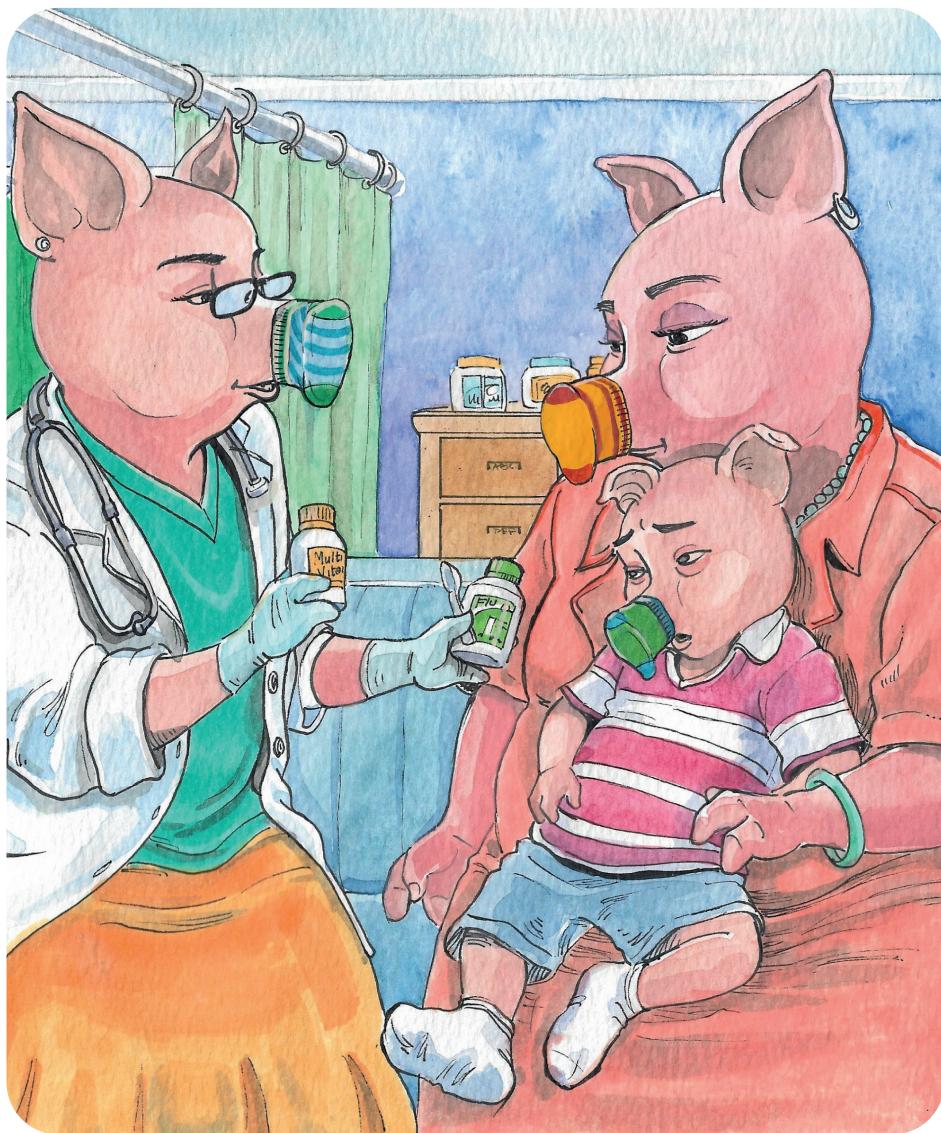

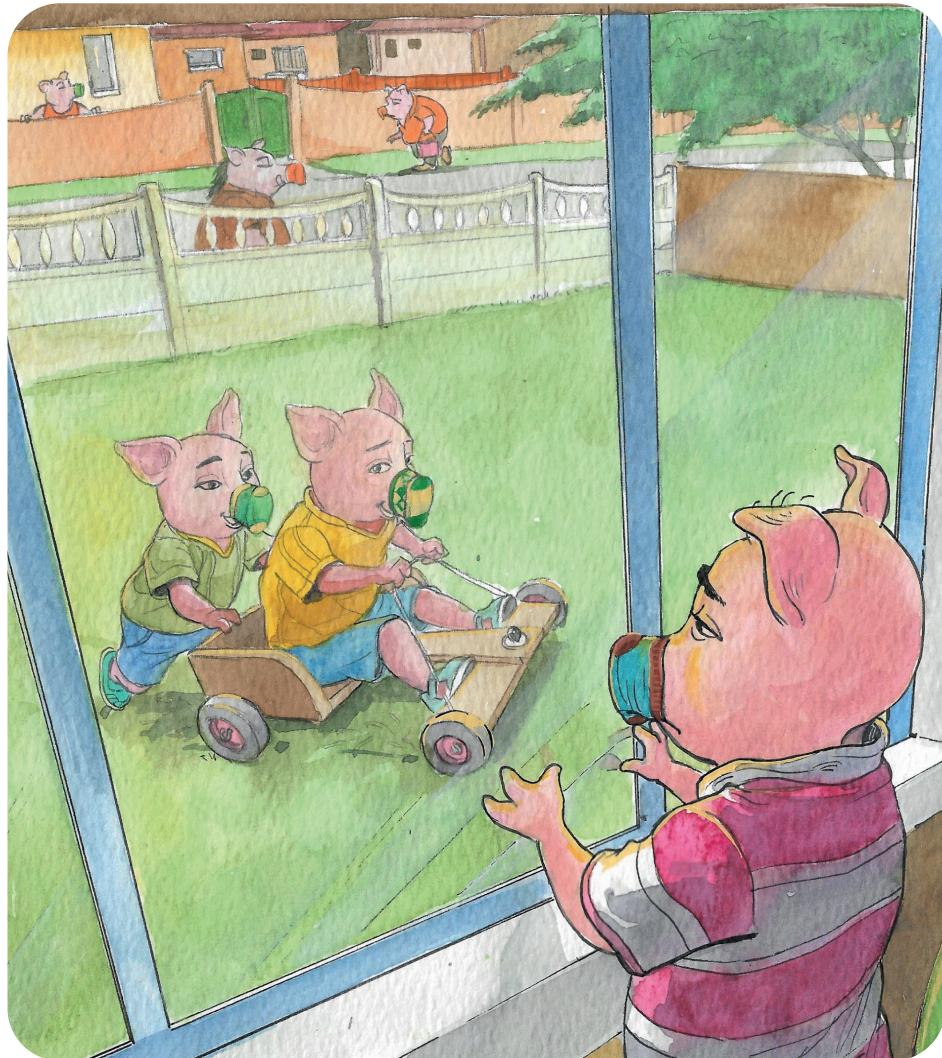

Tshwarelo ya boa e fiša ebile e ethimola.
Mma Kolobe o be a tshwenyegile kudu gore
Tshwarelo o tla fetetša tše dingwe.

Mma Kolobe a iša Tshwarelo ngakeng.

Ngaka ya fa Tshwarelo dihlare.

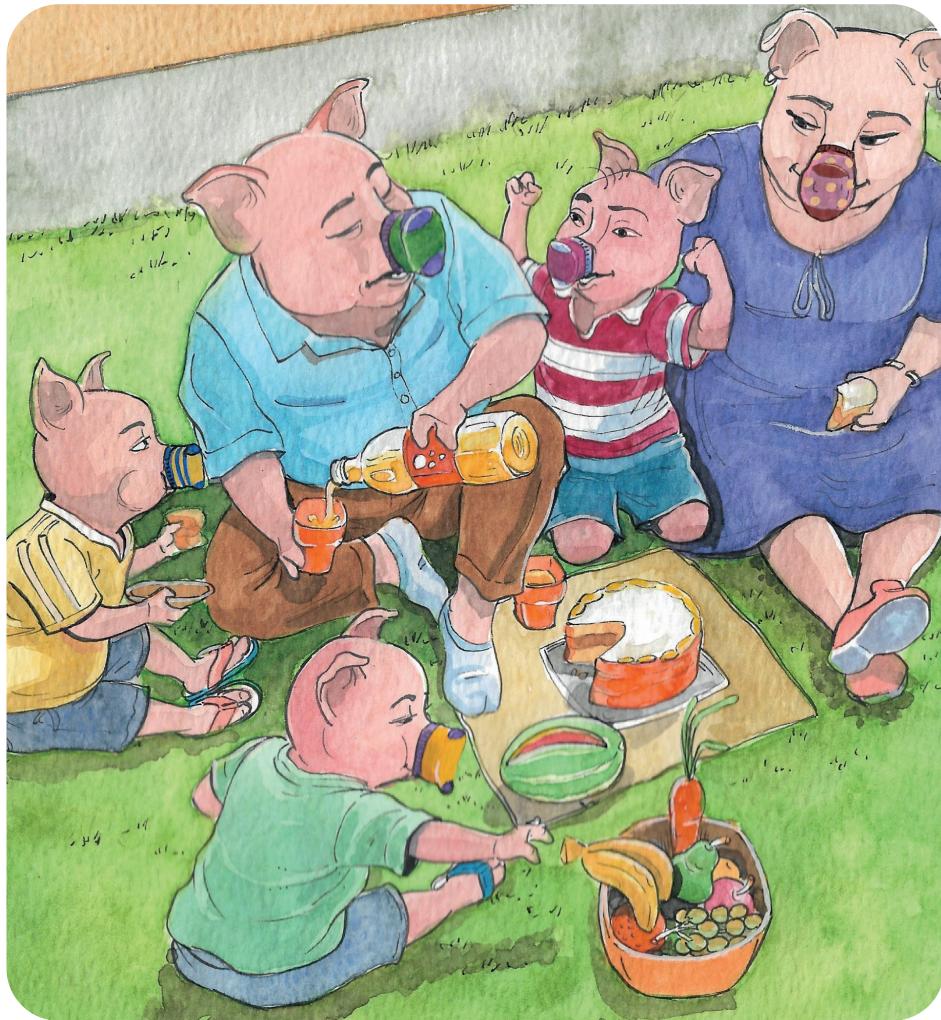

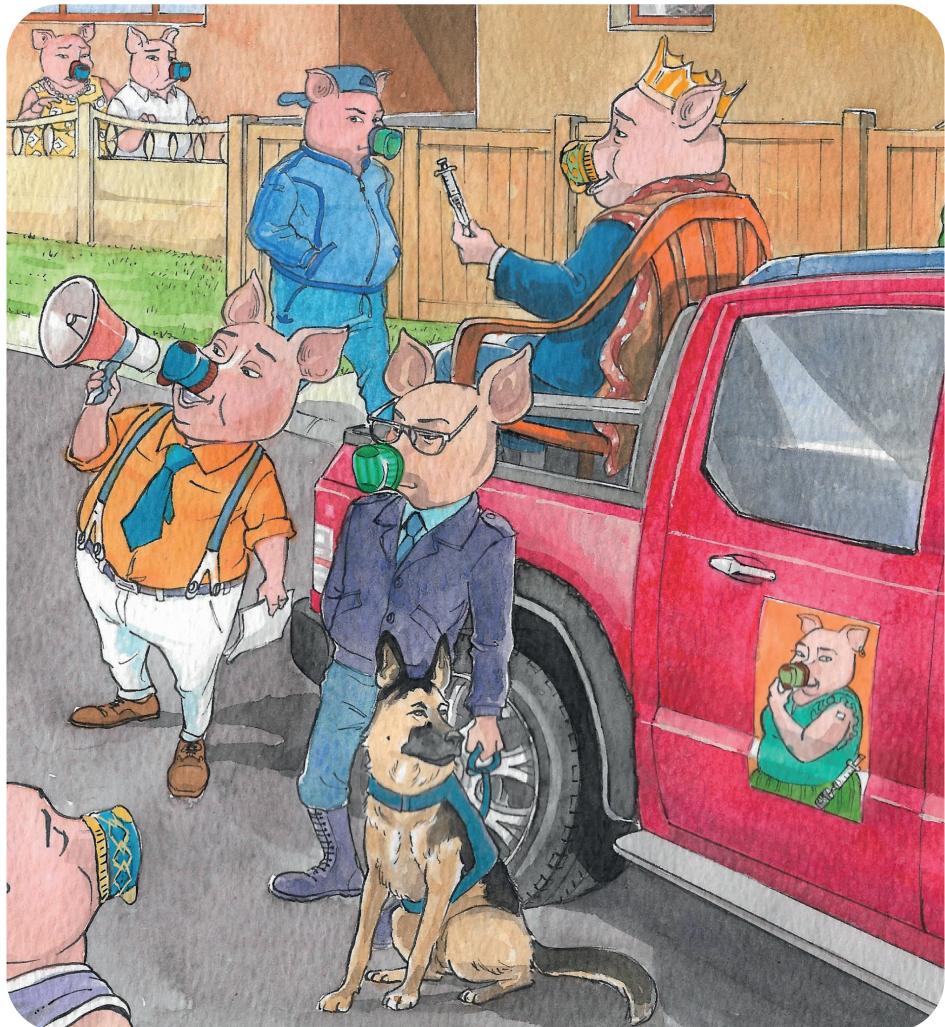

Tshwarelo ya swanelwa ke go dula ka gae
dibeke tše pedi. Ya laelwa go robala le go ja
e le tee. E be e sa dumelwelwa go raloka le tše
dingwe.

Morago ga dibeke tše pedi, Tšhwarelo ya fola.

Mafelelong ya dumelelwa go dula le tše dingwe.

Kgoši ya bega gore dikolobe ka moka di
swanetše go ya bookelong gore ba humane
tšhwaana ya go thibela bolwetši bjo.

Dikolobe di be di thabile ebile di imologile.

Bolwetši bja sobeleta nageng ya dikolobe.

Ka moka tša tloša masokisi mo dinkong tša tšona.

Tša thoma gape go phela gabotse (bophelo bja boela sekeng sa pele).

Ka moka tša thoma go etelana gape!
