Every child should own a hundred books by the age of five. To that end, Book Dash gathers creative volunteers to create new African storybooks that anyone can freely print, translate and distribute. Then we work with partners to give those books to preschool children to own.

To find out more, and to download beautiful, open-licensed, print-ready books, visit bookdash.org.

A colorful illustration of two young boys playing with bubbles. One boy, wearing a red shirt and blue jeans, is kneeling on the left, smiling and gesturing towards the bubbles. The other boy, wearing a yellow shirt, is on the right, also smiling and reaching out. Large, stylized green bubbles with black outlines are floating around them against a light blue background.
