

Naka o na le Nala ka serapaneng. Ba a hlwekiša ebile ba bjala merogo.

“Naka, gobaneng re šoma boima ebile letšatši le fiša?”

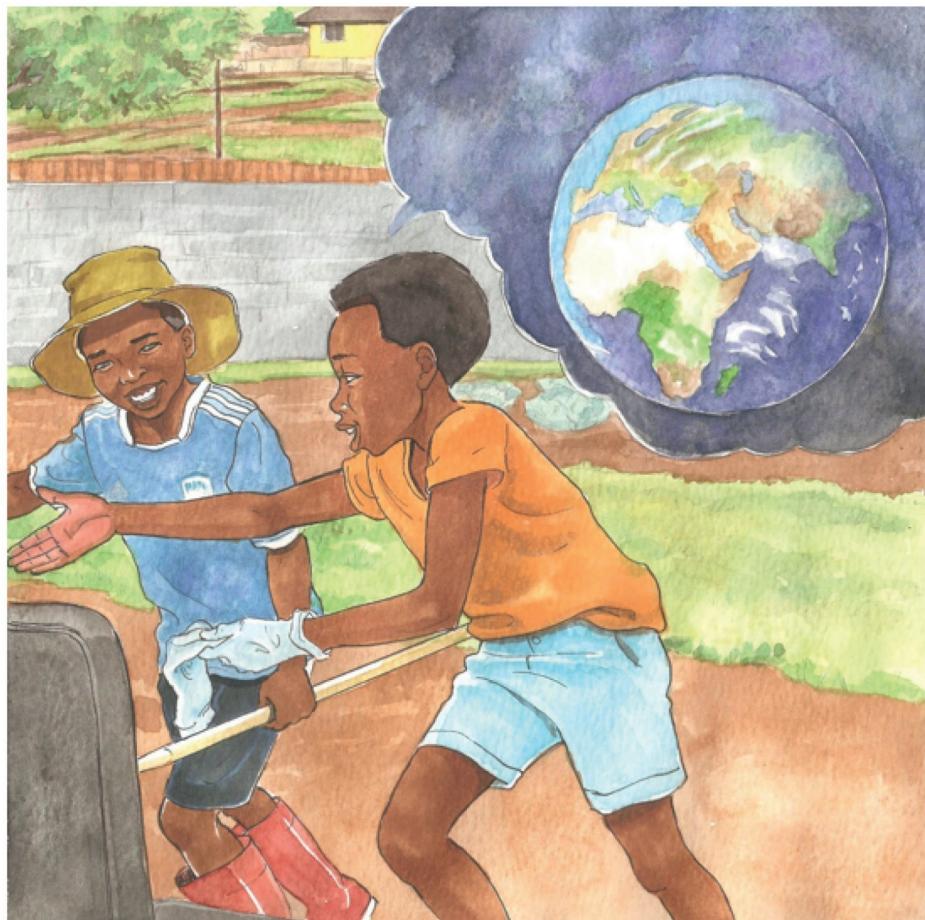

"Re a hlwekiša ka gore re rata lefase le tikologo ya renā.

Tikologo ya go hlweka e raka malwetši le gona bana ba gola gabotse."

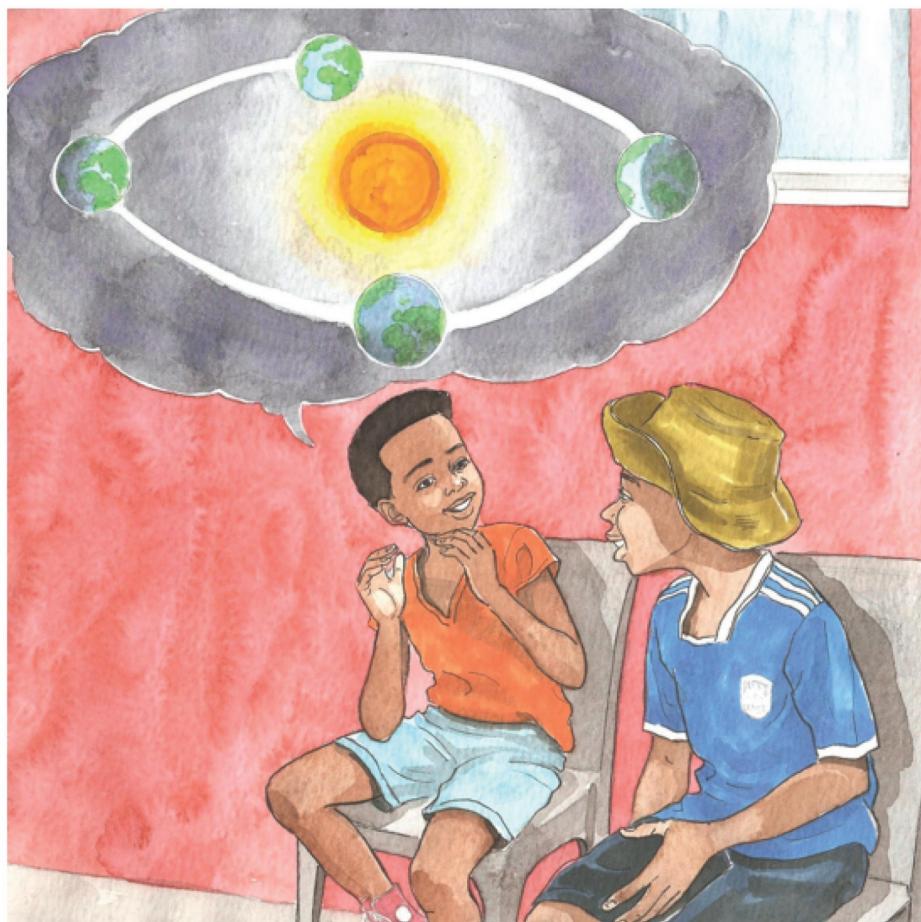

"Le gona, re bjala merogo gore re humane dijo tša go ba le phepo ye botse.

Se se tla re bolokela tšelete". Gwa realo Nala.

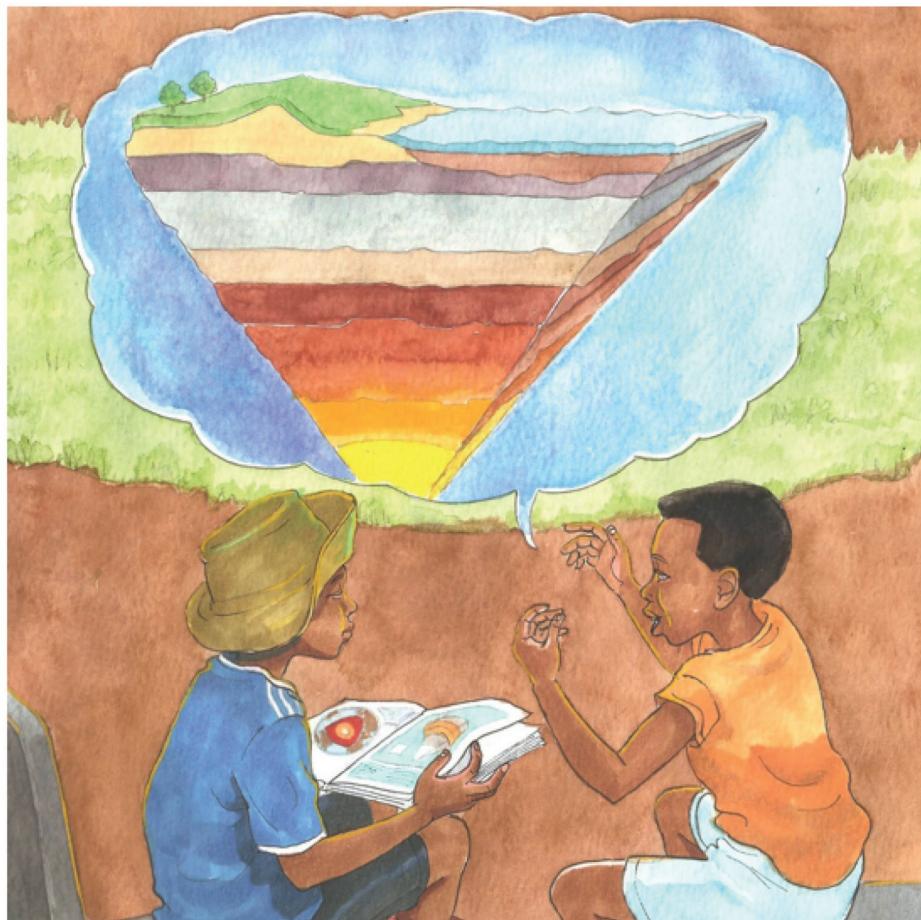

Nala a phegelela, "Na o reng ka lefase? Mpotše ka botlalo."

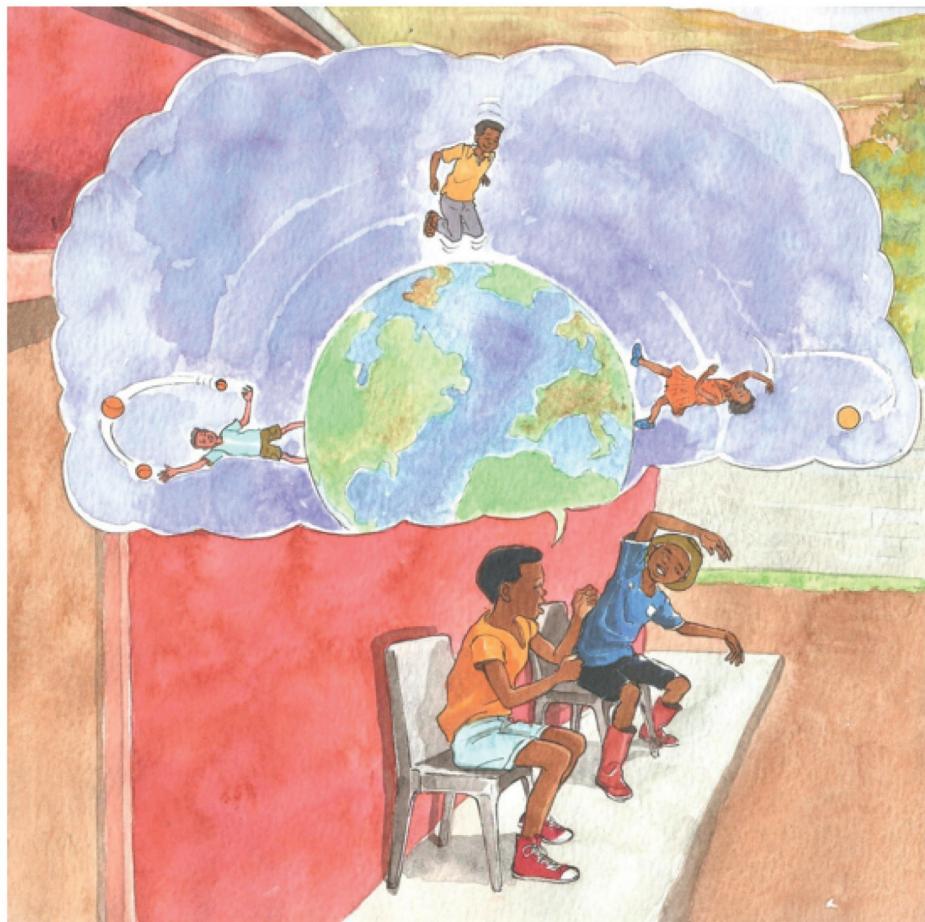

Naka a re, "A re dule fase ke go botše se sengwe ka lefase".

"Lefase ke polanete ya nkgokolo yeo re dulago go yona.  
Lefase le dikologa letšatši. Go na le batho ba dibilione tše  
7.9 mo lefaseng!"

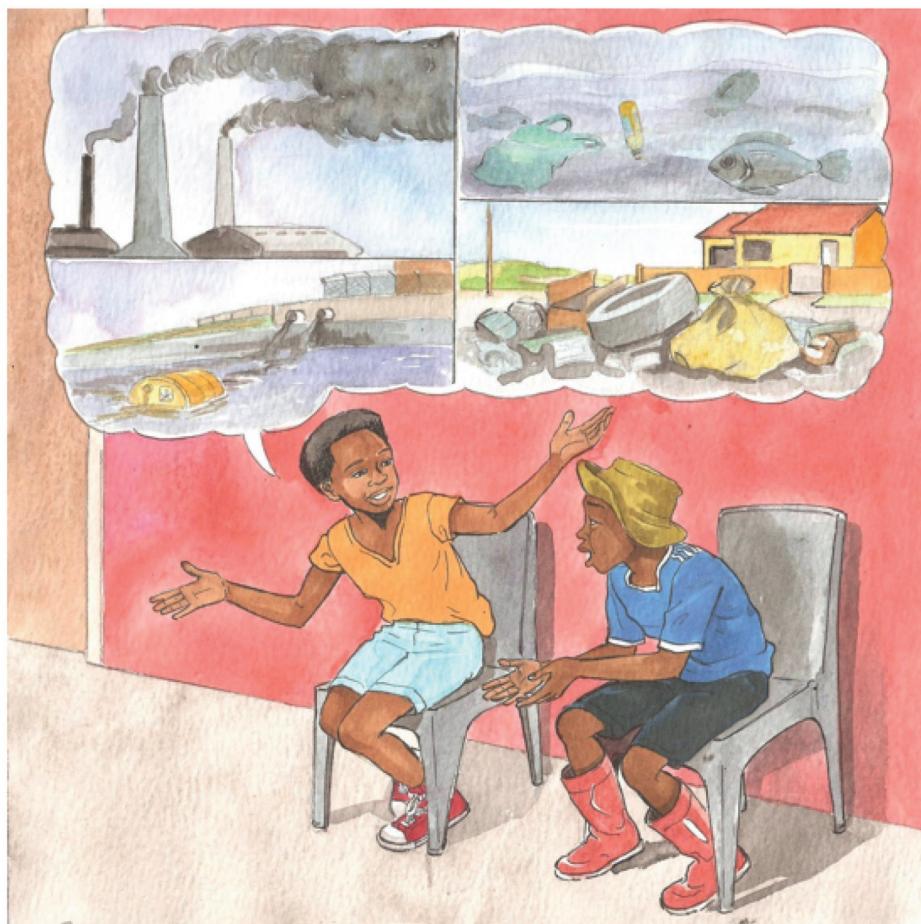

"Lefase le bopilwe ka naga, moya, le meetse. Diphedi di phela godimo ga lefase ka gobane go fiša kudu ka gare," Naka a hlaloša.

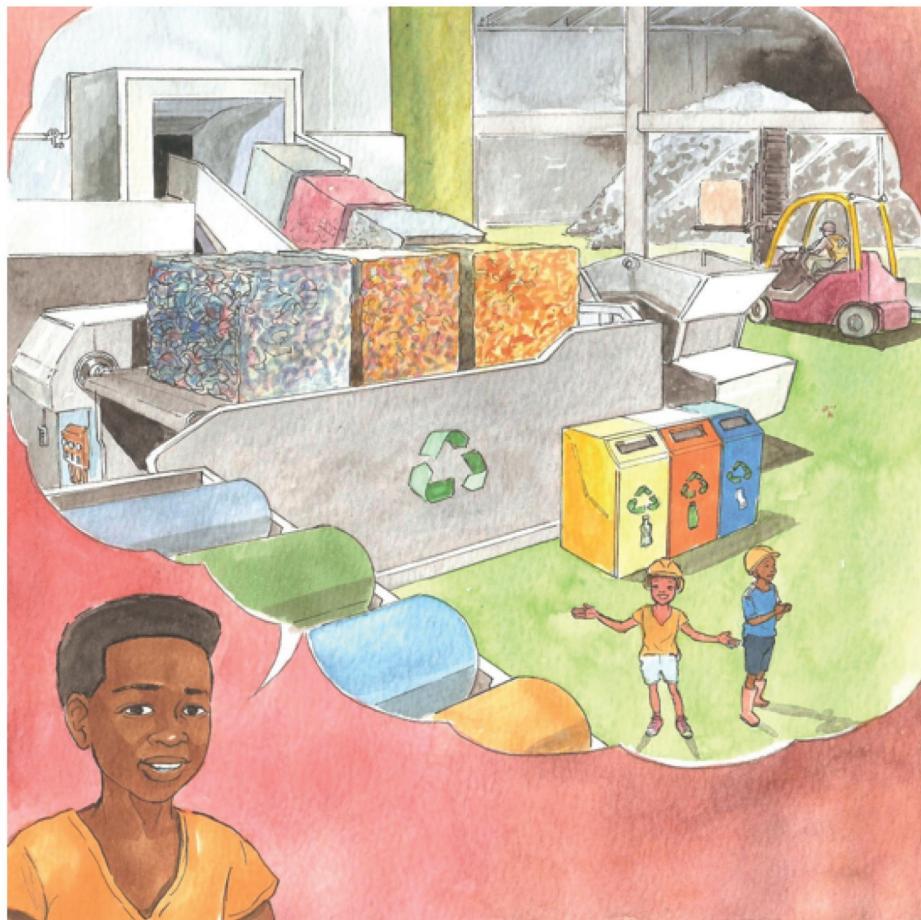

"Ge e le gore lefase le dikologa letšatši, gobaneng re sa we?"

"Maatlakgogedi a lefase a a re goga gore re se we," gwa  
araba Naka.

"Re ka hlokomela bjang lefase la rena?" Gwa botšiša Nala.

"Ga ra swanelo go le tšhilafatša. Re swanetše go tsošološa dilo gore re fokotše ditšhila."

"Re ka tsošološa polasetiki, pampiri, galase, le dikane. Re ka dira ditšweletšwa tše difsa ka dilo tša go tsošološwa. Re lahla dilo tše dintši kudu."

Naka a ruma ka gore, "Re swanetše go hlokomela lefase  
gore batho ba kgone go phela gabotse."

Nala a goeletša, "A re boele mošomong bjale!"
