

# The Crown

This book is prepared for young children who have just started reading. Efforts have been made to make the subject matter, style and presentation easy, sweet and simple. It has been prepared especially for the purpose of encouraging our children to read on their own.

Room to Read seeks to transform the lives of millions of children in developing countries by focusing on literacy and gender equality in education. Working in collaboration with local communities, partner organizations and governments, we develop literacy skills and a habit of reading among primary school children, and support girls to complete secondary school with the relevant life skills to succeed in school and beyond.
