Room to Read seeks to transform the lives of millions of children in developing countries by focusing on literacy and gender equality in education. Working in collaboration with local communities, partner organizations and governments, we develop literacy skills and a habit of reading among primary school children, and support girls to complete secondary school with the relevant life skills to succeed in school and beyond.

Miss Goat's House

Summer in the meadow has arrived and Miss Goat is feeling very hot. She searches for shade under the lilies and the banana leaves, but the wind blows them away. The day keeps getting hotter. Where will Miss Goat find shelter from the heat?
