

As she flies through the forest, a small firefly admires all the other animals' surroundings. The grasshopper hides in the lush green grass, the butterfly spreads its beautiful wings, the weaver-bird sways in its woven nest, and the spider swings across the trees on a maze of blue threads. The small firefly is envious why can't she be as beautiful as the other animals? Can you help the firefly discover the beauty she brings to the forest?

All rights reserved.

Room to Read seeks to transform the lives of millions of children in developing countries by focusing on literacy and gender equality in education. Working in collaboration with local communities, partner organizations and governments, we develop literacy skills and a habit of reading among primary school children, and support girls to complete secondary school with the relevant life skills to succeed in school and beyond.
