Every child should own a hundred books by the age of five. To that end, Book Dash gathers creative volunteers to create new African storybooks that anyone can freely print, translate and distribute. Then we work with partners to give those books to preschool children to own.

The one in the middle

I am the middle one.
Not the first born.
Not the last born.

The one in the middle!

The one in the middle
can be easy to forget.

And easy to leave out.

But that's okay
because I am also
the one with IDEAS!

Look what I can
make from just this
cardboard box!

 A BEAUTIFUL house...
with real doors and
windows.

My house has an
extra special bed,
and a **MAGIC SLIDE**.

Some days my house
is also a shop.

And on other days it's a
VERY FANTASTIC show.

Sometimes my house
is just for me!

And sometimes it's a house for three!

I am the middle one.
Not the first born.
Not the last born.

The one in the middle!

And that's the best place for me.
