

# Umlimi uVele neenkghabu

**Pfano Andy Motlounq**

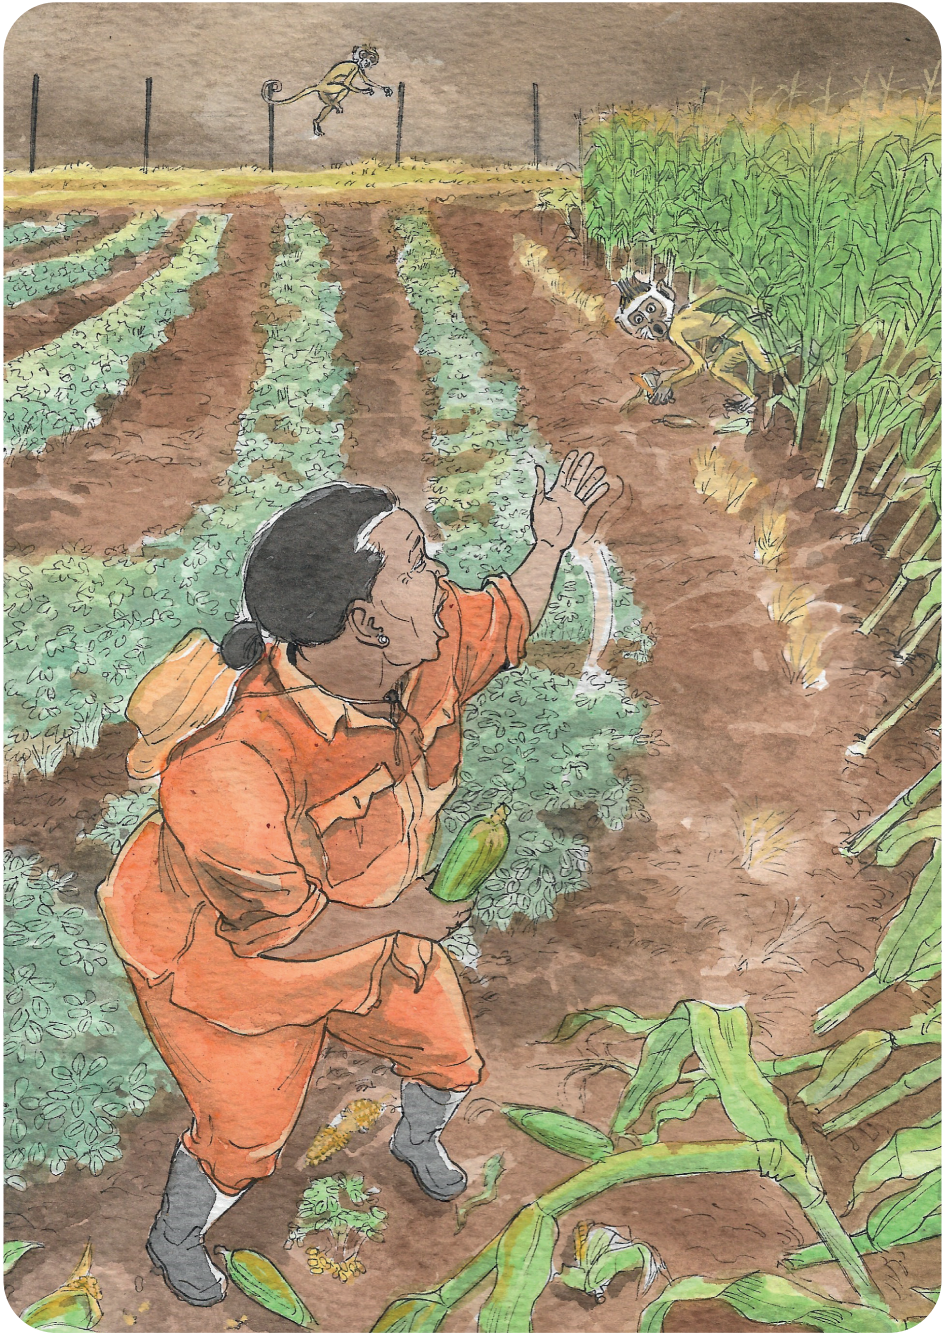

Umlimi uVele utjale ikoroyi namantongomani eplasini lakhe ngekghono elikhulu.

UVele unomraro.

Kuneenkghabu ezimbili ezivela emithini eziza kanengi zizokudla amantongomani nekoroyi. Zikghephule nesiphila.

Umlimi uVele ukgharameja iinkghabu bese uyaziqotjha. Bese ziyabuya godu.

Umlimi uVele uthatha isiqunto sokwenza umuntu ngeengodo nozokuthusa iinkghabu.

Wathatha iincetjhana zeengodo wazinamathisela ndawonye. Nakaqeda ukuhlanganisa umzimba womuntu ngeengodo awembathise izambatho zakade.

Nakutjhinga ilanga, iinkghabu ezimbili  
zabuya zizokudla amantongomani nekoroyi.

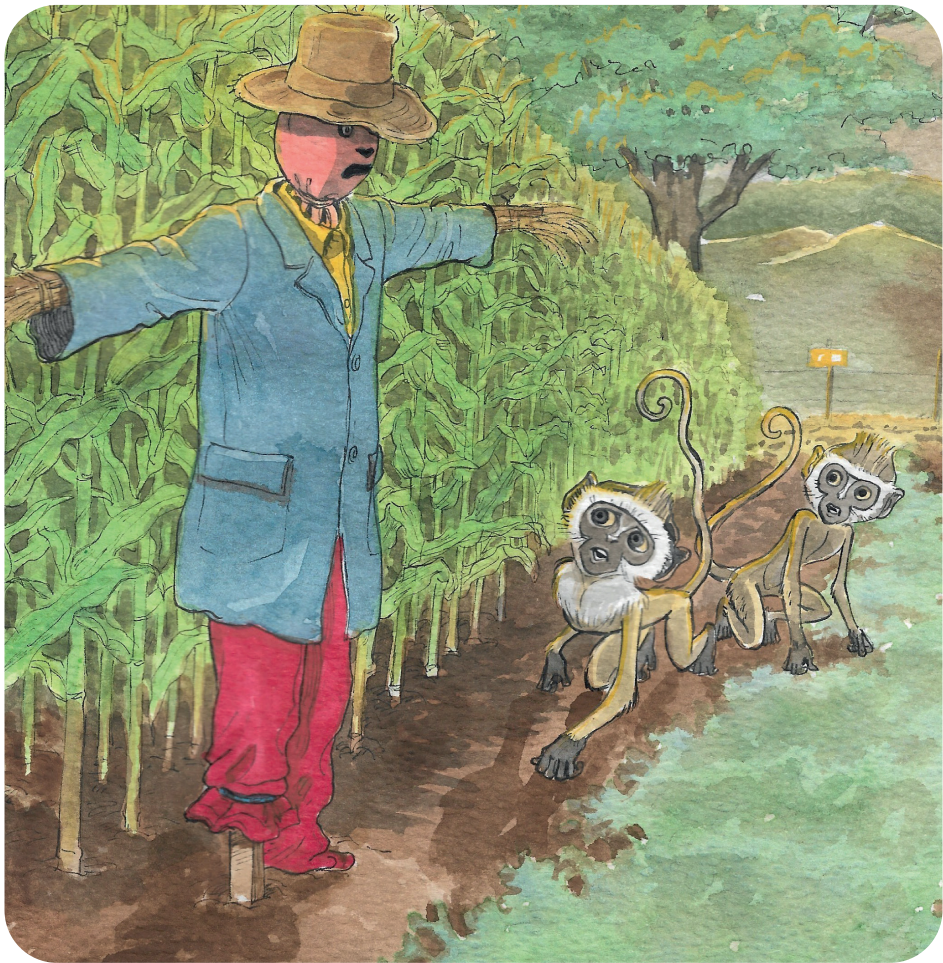

Zifike zajama nazibona umzimba womuntu  
owenziwe ngeengodo.

Iinkghabu zitjhidele eduze. Umzimba womuntu owenziwe ngeengodo khangе usikinyeke.

Zatjhidela eduze khulu. Nalapho umzimba womuntu awusikinyeki.

Iinkhabu zahleka bese zathoma ukudla.

Bezingakathukwa nakancani!

Iinkhabu zeqela phezu komzimba womuntu.

Zithe zisakhwela zanamathela phezu  
kwenovu efakwe phezu kweengodo!

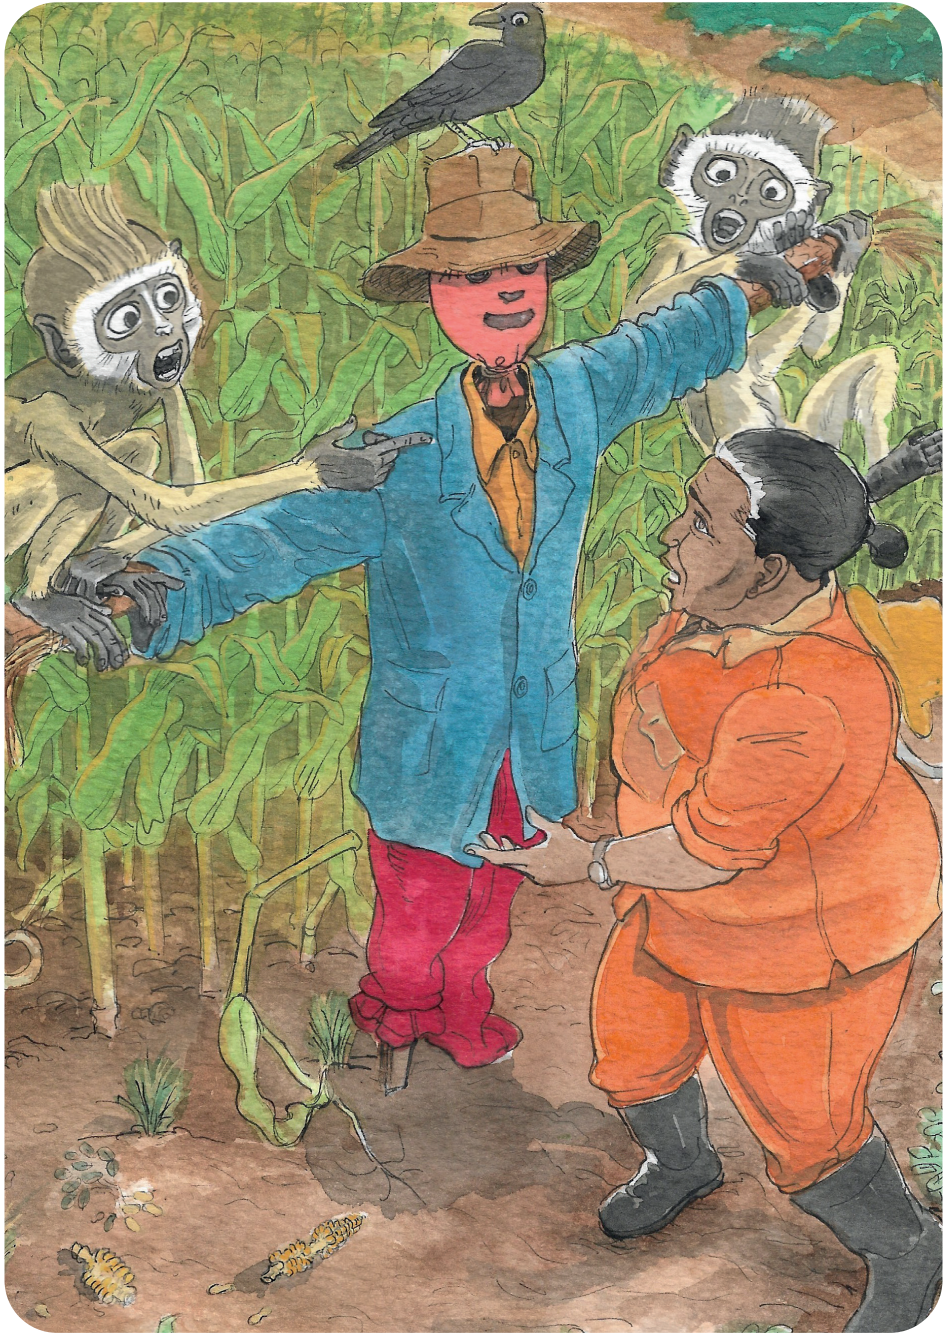

Zabambeka! Akhange zisakwazi ukubaleka!

Ngelanga elilandelako ekuseni, umlimi uVele warareka nakafunyana iinkghabu ezimbili zibambeke phezu komzimba womuntu.

Kghani uzokwenza njani gadesi?

Umlimi uVele wabiza beziko labantu  
abahlenga iinlwana.

Abantu beziko lokuhlenga bazinamathulula  
iinkhabu phezu komzimba womuntu.  
Bazifaka ngaphakathi kwehogo ephephileko.  
Bazithatha bakhamba nazo endaweni  
efaneleko.

Umlimi uVele  
wajabula khulu  
ngokukghona  
ukususa iinkghabu.  
Ikoroyi yakhe  
namantongomani  
beziphephile.

Iinkghabu ezimbili  
nazo bezithabile  
begodu ziphephile  
ekhayeni lazo elitjha.
