

READ IT YOURSELF

# LET US PLAY NOW!

This book is prepared for young children who have just started reading. Efforts have been made to make the topic, style, and presentation easy, sweet, and simple. It has been specially prepared for the purpose of encouraging our children to read on their own.

Gurus and parents are requested to help their children if they find any difficult words.

World Change Starts with Educated Children.

Room to Read seeks to transform the lives of millions of children in developing countries by focusing on literacy and gender equality in education. Working in collaboration with local communities, partner organizations and governments, we develop literacy skills and a habit of reading among primary school children, and support girls to complete secondary school with the relevant life skills to succeed in school and beyond.
